High / Low	18	1:1	48.65%

## Wheel & House Edge

<b>European</b> 37 pockets - one zero	<b>2.70%</b>
<b>American</b> 38 pockets - double zero	<b>5.26%</b>
<b>French - La Partage</b> 37 pockets - one zero	<b>~1.35%</b>

## Popular Systems

<b>Martingale</b>	Double after loss - high risk
<b>Paroli</b>	Double after win - low loss risk
<b>Fibonacci</b>	Sequence after loss - slower
<b>D'Alembert</b>	+1 / -1 unit - low volatility
<b>Labouchere</b>	Cancel a target line - flexible
<b>1-3-2-6</b>	Four-step win run - profit locked

## European Wheel Number Order

## Risk Reminders

- No system beats the house edge - the math always favours the casino.
- Set a bankroll, stop loss and profit target before you play.
- Keep units small - around 1-2% of your bankroll.
- Prefer European or French (La Partage) over American roulette.
- Never chase losses. If it stops being fun, stop playing.
